

A BILL FOR AN ORDINANCE

RELATING TO RESTRICTED PARKING ZONES.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Findings and Purpose. The purpose of this ordinance is to establish a restricted parking zone (RPZ) program to ease parking congestion in residential neighborhoods, particularly those near major traffic generators like hospitals and universities, while balancing the needs of all people to be able to use public streets. Restricted parking zones help neighborhoods deal with the impacts from major traffic generators through transportation and parking demand management strategies, as well as posted time limits from which vehicles displaying a valid RPZ permit are exempt.

SECTION 2. Chapter 15, Revised Ordinances of Honolulu 1990 ("Traffic Code"), is amended by adding a new article to be appropriately designated by the Revisor of Ordinances and to read as follows:

"Article __. Restricted Parking Zones Program

Sec. 15- __.1 Definitions.

For the purposes of this article, unless otherwise indicated, the following definitions apply:

"Department" means the department of transportation services.

"Director" means the director of transportation services or the director's designee.

"Dwelling unit" means the same as defined in Section 21-10.1. Each unit of a multiple-unit dwelling is considered a separate dwelling unit.

"Family" means persons related by blood, adoption, or marriage.

"Resident" means any of the following persons residing in a dwelling unit that is located in a restricted parking zone:

- (1) The owner of the dwelling unit and family members of the owner; or
- (2) The renter of the dwelling unit under a lease of 30 days or more, and family members of the renter.

A BILL FOR AN ORDINANCE

"Restricted parking zone" or "RPZ" means an area of at least four contiguous blocks in a residential- or apartment-zoned district where vehicles properly displaying a permit or other authorization pursuant to this article are exempt from the posted parking zone restrictions.

"Restricted parking zone permit" means a card, decal, or other identification issued to an eligible person to be placed on a vehicle that enables it to be parked in a restricted parking zone.

"Visitor" means a person temporarily visiting residents or temporarily having business with residents who are eligible for restricted parking zone permits.

Sec. 15-__2 Administration of restricted parking zones.

- (a) Signage: A restricted parking zone must be appropriately signed or marked.
- (b) Program components and permit use:
 - (1) A restricted parking zone may have one or more of the following components:
 - (A) Parking in the street is reserved for the exclusive use of those vehicles displaying a valid RPZ permit or other identification issued by the director as part of the RPZ program;
 - (B) Parking in the street is reserved during certain posted hours for exclusive use of vehicles displaying a valid RPZ permit or other identification issued by the director as part of the RPZ program; or
 - (C) Time limits are established for parking in the street that apply to all vehicles except vehicles with a valid RPZ permit or other identification issued by the director as part of the RPZ program.
 - (2) The director may issue permits or other means of identification, maintain lists of vehicles owned or used by permit holders, or adopt any other reasonable means of distinguishing vehicles that are validly parked in a restricted parking zone from other vehicles. The permit or other means of identification must include the license plate number of the permitted motor vehicle.

An applicant must also present proof that the address of vehicle registration matches the applicant's dwelling unit address, or otherwise present proof of residence within the RPZ.

 - (1) Except as provided in subsection (3), the registered owner of a vehicle not properly displaying a permit or other authorization pursuant to this article and parked within a restricted parking zone shall be subject to a fine of \$35.00. Every hour a vehicle remains parked in violation of this subdivision shall constitute a separate violation.
 - (2) A person misusing a permit, including but not limited to selling, counterfeiting, improperly using, or stealing a permit, or as otherwise determined by the director, shall be subject to a fine of \$55.00. Every day a permit is improperly used shall constitute a separate violation.
 - (3) A driver of a motor vehicle who has a disability as defined under the Americans with Disabilities Act of 1990, 42 U.S.C. Sec. 15-__3 Establishment of restricted parking zones.

- (a) The director shall consider recommending to the Council the establishment of an RPZ upon receipt of a petition signed by a majority of the residents in the area specified in the petition for the RPZ. Except as provided in Section 15-__6, the director may not recommend to the Council the establishment of an RPZ in any area in which the residents have not petitioned for the program.
- (b) Upon receipt of a petition meeting the requirements of subsection (a), the director shall engage affected and interested community stakeholders through a public information and involvement program that may include department presentations to business and community associations or organizations, information distribution through the city's web site, news releases and related media, direct mailings of informational materials, facilitated meetings, sounding boards, walking tours, surveys, and other means of outreach and information gathering.
- (c) In determining whether to recommend the establishment of the RPZ, the director shall consider the following:
 - (1) Whether 75 percent or more of the capacity of the streets in the proposed RPZ is generally occupied, and more than 35 percent of the vehicles parked on the street in the proposed RPZ are not owned by residents of the designated area;
 - (2) Whether there is an identifiable traffic generator;
 - (3) Whether there has been a strong and effective community engagement effort indicating that stakeholders in the designated area support an RPZ;
 - (4) Whether an RPZ would promote certain benefits or would result in adverse impacts.
 - (A) Benefits include, but are not limited to: increased access for area residents, reduced traffic congestion, increased traffic or pedestrian safety, reduced air or noise pollution, reduced commuter parking in neighborhoods, prevention of blighted areas, and promotion of the use of alternative modes of transportation.

A BILL FOR AN ORDINANCE

- (B) Adverse impacts include, but are not limited to: transferring a parking problem to a different area, inability to effectively enforce program restrictions, lack of alternative transportation modes, and availability of simpler, cheaper, or more effective solutions; and
- (5) Whether the public interest would be served.
- (d) If the director determines that an RPZ should be established, the director shall submit a written recommendation to the council to establish the RPZ by ordinance. The recommendation, at a minimum, must include the reasons an RPZ is needed, the boundaries of the RPZ, the terms and conditions of the RPZ, and the anticipated commencement date of the RPZ.
- (e) Upon establishment of an RPZ by the council by ordinance, the director shall establish a community steering group for the RPZ. RPZ community steering groups shall be responsible for working with the department on implementation of the RPZ and on community security issues.

Sec. 15-__4 Expanding, reducing, or dissolving restricted parking zones.

If the director wishes to recommend that the Council expand, reduce, or dissolve an existing RPZ, the director shall engage the community in the same manner as for the establishment of an RPZ under Section 15-__3(b) and, if the director determines that the expansion, reduction or dissolution will be in the public interest, the director shall submit a written recommendation to the council to expand, reduce, or dissolve the RPZ by enactment of an appropriate revision or repeal of the existing ordinance. The recommendation, at a minimum, must include the reasons for the recommended action, the new boundaries as applicable, any changes to the terms and conditions of the restricted parking zone, and the anticipated commencement date of the recommended action.

Sec. 15-__5 Fees for restricted parking zone permits—Waiver or reduction of fees.

- (a) The fees to be collected by the department for restricted parking zone permits for resident parking, visitor parking with resident permit, and single-day visitor parking in a restricted parking zone must be set forth in the ordinance establishing the restricted parking zone.
- (b) The director is authorized to cap the number of single-day visitor permits issued per restricted parking zone.

A BILL FOR AN ORDINANCE

- c) The director may waive or reduce a restricted parking zone fee whenever:
 - (1) The waiver or reduction is in the overall public interest due to extraordinary facts or circumstance;
 - (2) The waiver or reduction is consistent with the goals of the restricted parking zone program;
 - (3) The waiver or reduction is due to a finding by the director that the rates are too high for a particular geographic area; or
 - (4) The waiver or reduction is due to a finding by the director that the rate would cause an undue financial hardship on affected residents.
- (d) The director, pursuant to HRS Chapter 91, may adopt rules to implement the provisions of this article."
